

Prospective Chapter Fees

Chartering Fee -- \$155 USD

A non-refundable chartering fee is due and payable before the prospective chapter can charter. This fee is paid in three installments. The first \$30 USD is paid when the chorus applies for prospective status. The second \$30 USD installment is paid when the chorus applies for Step Two. The third \$95 USD installment is paid when the chorus applies for chapter membership. Sending the chartering fee indicates your firm commitment to charter with Sweet Adelines International.

Insurance Fee -- \$200 USD

North American chapters of Sweet Adelines International are covered under our general liability insurance policy. Chapters are required to pay a yearly premium with their Application for Charter Renewal, due May 1. Prospective chapters in Step Two are also covered and required to pay this fee. On May 1 of each year, the accounting department bills all North American prospective chapters in Step Two for the insurance fee.

International Dues

Annual dues for each chartering member of your prospective chapter is due when you apply for chapter membership. All payments to Sweet Adelines International must be in US funds. Submit the total annual dues with one credit card* or check made payable to Sweet Adelines International. If paying by check, write the name of the prospective chapter on the check.

New and renewing members pay \$125 USD

Transfer members pay \$0

Youth members pay \$62.50

(Youth members are age 25 and under at the time of their membership application or renewal date.)

Satellite Area members (region 30) pay \$62.50 USD

*A credit card may be used when paying dues. If your group chooses to use a credit card, submit one credit card number to cover payment for everyone in the prospective chapter. It is highly recommended that a chapter/prospective chapter obtain a credit card in the name of the chapter. Individual member credit cards should not be used.
