

WHEN YOU ARRIVE

Phoenix Sky Harbor International Airport is located less than four miles from downtown Phoenix, and arriving passengers, in groups of all sizes, have a variety of affordable and convenient transportation options.

PHX SKY TRAIN®

The PHX Sky Train® is an automated train that moves travelers between the airport's busiest terminals and the nearest Valley Metro Rail station (five minutes from Terminal 4). This service is free and operates 24 hours a day, seven days a week.

VALLEY METRO RAIL

With 38 stations, and trains arriving every 10 minutes, the Valley Metro Rail moves the masses in a hurry. The 28-mile system carries riders to hotels, restaurants, museums and sports arenas in Phoenix, and also the nearby cities of Mesa and Tempe. Passes (one-way, \$2; all-day, \$4) can be purchased at ticketing machines located at each station.

TAXIS

Greater Phoenix has some of the most affordable taxi services in the nation. The typical fare from the airport to downtown is \$17. The following taxis are contracted to pick up passengers at Sky Harbor:

- AAA/Yellow Cab: 480-888-8888
- Mayflower Cab: 602-955-1355
- VIP Taxi: 602-300-3000

RIDE SHARE

Passengers arriving at Sky Harbor can use ride-sharing services, such as Uber and Lyft, for airport pickup. Drivers with ground-transportation permits will meet passengers in the specified ride-share pickup area outside baggage claim.

CAR RENTALS

Sky Harbor's Rental Car Center makes car rental quick and easy. The spacious facility houses 14 rental car companies and provides a shuttle bus for all customers to and from the airport's terminals. PHX Sky Train® expansion will transport riders directly to the Rental Car Center beginning in 2022.

LIMOUSINES

Several private limousine carriers offer airport-to-door service to and from Sky Harbor. Rates are set according to the address in a given zone for the first two passengers (additional fees apply for three or more passengers).
