**INTERNATIONAL
HEADQUARTERS
UNDER
CONSTRUCTION**

The date was April 1, 1966, but Executive Secretary Nancy Bergman and Architect Billy Knowles (see photo at right) weren't April fooling when they turned the first spade of earth for the long discussed International Headquarters building in Tulsa. Standing by is Curly Shannon, superintendent on the construction job. The one-acre site is located on Route 66 and Interstate 44, convenient for all traveling Sweet Adelines.

Yes... THIS YEAR WE'RE BRINGING A PROGRAM OF
