2009 International Champion Chorus

50 Years of Harmony

"I stood on the stage in Hawaii to receive my 50-year membership. I was overwhelmed by the audience response. At that moment I realized that no one in the world is more blessed than I. Real women, singing real harmony, and having real fun only scratches the surface. The extended family I have gained over the years through my membership in Sweet Adelines means more to me than I can possibly put into words. Each one of you has touched my life in some way, even if only by singing my music. So I say 'thank you,' and my wish for you is that your affiliation with Sweet Adelines brings you as much joy and love as it has afforded me."
