

The Holland Flag Flies

Five countries fly their flags over Sweet Adelines, Inc. Headquarters in Tulsa, Oklahoma. The most recent flag is the red, white and blue of the Netherlands. In their final piece of business on May 17, the International Board of Directors reviewed the charter application of prospective Yselestein. President Ruth Uglow called for the vote and it was official—the tiny country of Holland had produced our newest Sweet Adelines chapter.

At the Annual Membership Meeting, held during convention, the prospective chapter in Japan was presented their official charter as a chapter in Sweet Adelines, Inc. A representative of their chapter then presented Sweet Adelines with the flag of Japan.
