National TV  
Exposure

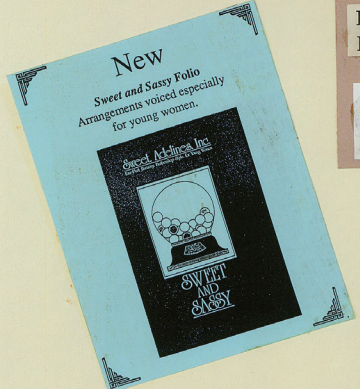

WGBH, the highly-regarded PBS affiliate in Boston, was on location in Phoenix taping the goings-on for a 60-minute presentation to be aired next spring. High Society harmonizes for the camera in the International Sales area, and Toni Terwilliger, who will host the program, talks with Meli-Edge after their performance in the quarter-finals.

June 1978 marked the birth of a new international publication for Sweet Adelines, the Rechorder. Since then members have received a publication every month. Due to an intensive cost-containment program set forth by the International Board of Directors, Finance Committee and staff members, the Rechorder will now be published on a quarterly basis. Beginning with the new schedule the Rechorder will also have a new look.
