Sweet Adelines Stories: I was so impressed!

I was so impressed and in awe that the 2016 International Champion Quartet, Speed of Sound could look and sound fantastic, adorned with their crowns, at 8:30 in the **MORNING**. These entertaining women were the guest quartet at a Sweet Adelines International A Cappella Harmony Academy (AHA) organised by the New Zealand Women's Barbershop Organisation in Auckland, July 2016.
