## Sweet Adelines Stories: I am Forever Grateful...

Happy 75th, Sweet Adelines International!

Sweet Adelines has enhanced my life in so many ways, infusing joy, friendship, laughter, passion, peace and knowledge into my world! I am FOREVER grateful with deep admiration and love for this organization! I thank all who continually work SO hard to make Sweet Adelines a life-changing family for so many women. We have such talented, dedicated, passionate and caring women at its helm! I love singing with my chorus, the Hickory Tree Chorus, and I miss being with my beautiful friends. Thankfully, we have Zoom!

Love you, Sweet Adelines and cheers to us!
