Sweet Adelines Stories: How 'Bout Them Costumes

Here is my first competition – 1989 or 1990. How exciting that was! How 'bout those costumes?! So much fun, you can tell that by the big smile on my face. I sang, and am still singing, with the Grand Rapids Chorus. I'll never forget sitting in our hospitality room waiting for the quartets to come in to sing and then Chicago Fire came in...What a thrill! Bonnie Fideski was my idol. What a bass! I was hooked, and the rest is history!! This organization is a total joy in my life!!
