Application for Exemption**

The well-being of Sweet Adelines members and attendees is our top priority as we return to in-person events. While it's impossible to eliminate all risks related to COVID-19, Sweet Adelines has implemented protective measures for the health and safety of those attending 2022 in-person events, requiring all staff, attendees, and faculty at IES 2022 to be fully vaccinated against COVID-19. Anyone who has a medical condition, disability, or religious/spiritual belief or practice that does not allow taking the COVID-19 vaccine can submit documentation and a negative COVID test to qualify for an exemption.

**REQUIRED to qualify for an exemption:**

- 1. Completed and signed COVID-19 Vaccination Exemption Application (this document).**
- 2. A signed letter from either a certified medical doctor or religious/spiritual leader confirming that you are not able to receive the COVID-19 Vaccine.**
- 3. Negative COVID-19 (Molecular, PCR, or Antigen) test within 72 hours of Wednesday, July 20th. Antigen home testing kits with compatible app for results will be accepted, which includes On/Go, BinaxNOW with Navica App, and Ellume. Other at home tests will not be accepted.**

By signing below, I acknowledge that I am applying for an exemption from the vaccine requirements for IES 2022 in San Antonio, Texas due to a medical condition, disability, or religious/spiritual belief or practice that prevents me from receiving the COVID-19 vaccine. I understand that I am required to show proof of a negative COVID-19 test within 72 hours of Wednesday, July 20th and that Sweet Adelines International will not be able to grant exemption without proof of a negative COVID-19 test. I understand that if I am unable to provide proof of the negative test on the date of the event, I will not be allowed to attend IES, but will be eligible for a registration refund.

Applications and letters can be submitted to [exemptions@sweetadelines.com](mailto:exemptions@sweetadelines.com) or submitted on site in San Antonio. Negative test results must be uploaded to the third-party portal and are required for entry.
