SUBMISSIONS AND GUIDELINES

In order to ensure all Pitch Pipe advertising is in line with member needs and our publishing standards, Sweet Adelines International reserves the right to reject submitted advertisements. All advertisers must submit an advertising reservation form containing information regarding the content of the advertisement.

Submissions

Failure to provide ads in a timely manner does not negate the contracted advertising space. Advertisers will be responsible for contracted rate regardless of whether the ad was included in the current issue. Contracts are required for multiple insertion rates and will not be pro-rated for past advertising.

Artwork files are reviewed for mechanical specifications. If an artwork file is rejected, the revised artwork must be received within two business days. Artwork file submissions received after deadline will not be published.

Payment is due in full within 10 days of reservation confirmation. Ads received after submission deadline will not be published. All ads must be submitted electronically with appropriate file name to communications@sweetadelines.com.

Mechanical Specifications

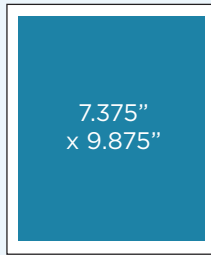

Please supply ads as high-resolution, PDF files. Ads should be designed in CMYK. All images and fonts should be embedded. Photos/halftones should be at least 300 DPI; line art should be at least 900 DPI. File dimensions must be sized to the exact ad dimensions with no trim/bleed/crop marks.
